

FREE YOURSELF FROM DEBT THRU CHAPTER 7 BANKRUPTCY PROTECTION

A 2-day “Hands-On” WORKSHOP

Are you being overwhelmed by a mountain of debt? Do you worry about how you are going to payoff all your bills? Bankruptcy can eliminate your legal obligation to pay most or all of your debts. It can stop foreclosure on your home and allow you to catch up on missed payments. It can prevent repossession of your car and other properties; or force creditors to return property even after it has been repossessed. Bankruptcy allows you to start all over again with a clean slate.

If you don't have the money to pay a lawyer to do it for you, but you are willing to invest the time and energy into your financial future, attorney Dennis Wong will guide you through the Chapter 7 bankruptcy step-by-step to ensure that you do it right.
