

HOW TO DISSOLVE YOUR MARRIAGE WITHOUT LAWYERS AND EXPENSIVE COURT BATTLES

A 2-day “Hands-On” WORKSHOP

Divorce can be highly charged emotional affairs with expensive court battles where the lawyers can and will fight over anything and everything so long as you pay the bills. But it doesn't have to be this way. Even if you and your spouse disagree on the terms of the divorce, you can still avoid expensive legal fees and court battles by doing many of the things yourself.

If you don't have the money to pay a lawyer or you just want to do it yourself, and you are willing to invest the time and energy into your future, attorney Dennis Wong will guide you through the divorce process step-by-step to ensure that you do it right.

In this 2-day “hand-on” workshop, you will takeaway:

- Learn the divorce process and critical dates to remember
- Learn how to gather your information to support your case
- Receive copies of the forms to file your own divorce
- Learn how to complete the forms correctly
- Learn how to negotiate a divorce settlement

You are urged to bring all your paperwork to the workshop where you will complete your forms and receive answers to your particular situation.
